

Note for a suitable photo:

- Faces must be well lit, without dark shadows
- Images must not be blurred
- Good resolution, i.e. preferably no pictures sent via WhatsApp or social media platforms as otherwise the quality may not be sufficient
- Optimal pictures: taken with a camera
- It is best to send two to three pictures to choose from (either via the upload or by e-mail to: info@primo-stemp.de)
- after ordering you will receive a draft
